Letter no 874 dated 1st February 1902 from the President D. F. Board Bangalore submitting the D. F. Budget estimates of the Bangalore L. F. Circle for 1902-1903.

———:———

Order thereon.. No

Dated Bangalore ~~Febry~~ 1902

The income of the Bangalore L. F. Circle for 1902-1903 is estimated at Rs 70,280 as against Rs 70,716-13-, the actuals of 1900-1901 and Rs 72,075, the estimate for 1901-1902

2. I 76 per cent of Local Cess. The cause of decrease under this head as compared with the estimate for 1901-02 has not been explained. In the

R. L. 1526.

No 15889-95
L. F. 1-1902

R 19.3.02

From Observer close
15/3/02 for L39.

In the statement of assets of Local cess, Rs 66428 is given as the total demand under this head in column 6, whereas in column 7, which should ~~be made to~~ show the portion thereof expected to be collected during the year or the estimate for the year, Rs 67,251 or Rs 823 more has been entered. This is apparently wrong. The President is requested to state whether the difference of Rs 823 referred to is expected to be collected from the arrears of cess at the beginning of the year, which have not been shown in column 6 of the statement. Pending information, the estimate will stand.

3. Ferry Collections. The omission of any estimate under this head ~~the present Budget~~ against Rs 5 sanctioned for the previous

previous year should have been explained.

Expenditure

4. A. Public Works. The cost of maintenance of the Chennapatna-Satnur road, which is Rs 1500/ has been erroneously entered as Rs 1200 ~~for Rs 1500~~. The correct figure will be adopted under the head "II Repairs & the provision under "III Establishment" will be raised from Rs 7455 to Rs 7462, which correctly represents 17½ per cent on the estimate for works.

20 miles at Rs 75 = Rs 1500 ✓

B. Public Works

5. No details have been furnished for the lump sum provision of Rs 2000 entered under "II. Repairs, nor has the necessity therefor been explained. Pending however, the receipt of a detailed list of works for which the provision

provision is intended, a sum of Rs 3,636 will be allowed to stand under "II Repairs", the balance Rs 364 being shown under "III Establishments" to meet the cost of supervision charges at 10 per cent on the cost of works.

b. Civil Charges.

6. III. Hospitals and Dispensaries. The correct total of the details given under "Whitefield" dispensary is Rs 492 and not Rs 516 as erroneously ~~entered~~ in the detailed statement. The necessary correction will be made in this office. Under this head an item of Rs 543 has been entered for bedding and clothing, for which purpose, as also for furniture of dispensaries an additional

and no increase of pay was sanctioned to the sweeper referred to. This requires explanation, pending which the item will be disallowed and the total provision under this head will be raised to Rs 1180 owing to the transfer of Rs 36 made in para 8 supra.

10. The Budget estimates of receipts and expenditure of the Bangalore L.T. Circle for 1902-1903 are sanctioned as per detailed statements appended. The result is given in abstract hereunder:-

of D. F. Boards in other
Districts.

III Hospitals and Dispensaries, a increased provision of Rs 543/- is made this year as per Senior Surgeon's docket No. 1086.94 dated the 7th January 1902 to meet the special charges of bedding and clothing at the rate of Rs. 45-4-0 per dispensary. A copy of Senior Surgeon's docket on the subject is herein enclosed for reference.

Para 6

The usual provision of Rs 427/- is made under this head for furniture, &c excluding the above special charges.

4. With regard to para 9. Out of the three sweepers sanctioned for the village of Mallur, one sweeper was transferred to Devarahosahalli in the same taluk, as two were considered sufficient for the former village. But the pay of the sweeper provided in the budget of 1901-1902 for the latter village was Rs 4/- instead of Rs. 5/-, as sanctioned in Government Proceedings

I. 76 per cent of Local Cess - The Presdt. states that the difference between the figures entered in Cols: 6 & 7 is due to the estimates being entered in round numbers in the latter Column. The figures may stand. But it must be observed that - as Col: 6 gives the total estimated demand and arrears are likely to remain uncollected at the end of the current year, the figure in col: 7, which represents the probable collections during the current year, must be less than that in col: 6.

2. V Ferry Collections - It is reported that owing to a small collection of one rupee & odd during 1900-01, the same was omitted in the Budget for the current year

It

It would be explained that the
~~Jerry collection was taken~~ while
the Jerry is cleaned out annually
and if so, why the revenue has fallen
so low.

Rs 4 per head, out of this
this sum
~~Rs~~ is intended for furniture & whether the
balance can not be diverted,
seeing that a separate provision
of Rs ~~42~~ 42 is made for bedding &
clothing for maintenance of the

F. Ferry Collections - It is reported that this item is not leased out annually but is being supervised in "Amani" and that as the collections were fluctuating, no estimate was entered in the

the Budget under this head. This is wrong. Whether the ferry is superseded in use or given out on contract, the approximate realizations therefrom should be shown in the Budget.

The President is requested to report by whom the ferry is worked, what is the cost of establishment maintained and what are the collections made during the last 5 years and why the same should not be given out on contract. ~~in the next~~
